About Us

SKN Pty Ltd is a Swazi registered company, under the Swaziland government company act. We specialize in water metering, edging and manufacturing of various timber products like kitchens and other interior fittings. The company is very passionate about quality products and workmanship

We are committed in producing economically viable products at affordable rates, ensuring the highest manufacturing standards and with the most supreme quality. We are very confident that with the above values our clients will always get the best value for money.

The company has invested in equipment and machinery to the value of E600,000.00 +, to ensure that the best possible products are accurately done in milestone times. We understand the value of quality, time and efficiency in any project, thus the procurement of these modern.

These high tech equipment puts us in an ideal position to deliver any project at a very capacity with minimal flaws. We use the latest computer aided design software packages to interpret your design requirements and process your order information with an optimization software to minimize waste thus increasing your value.

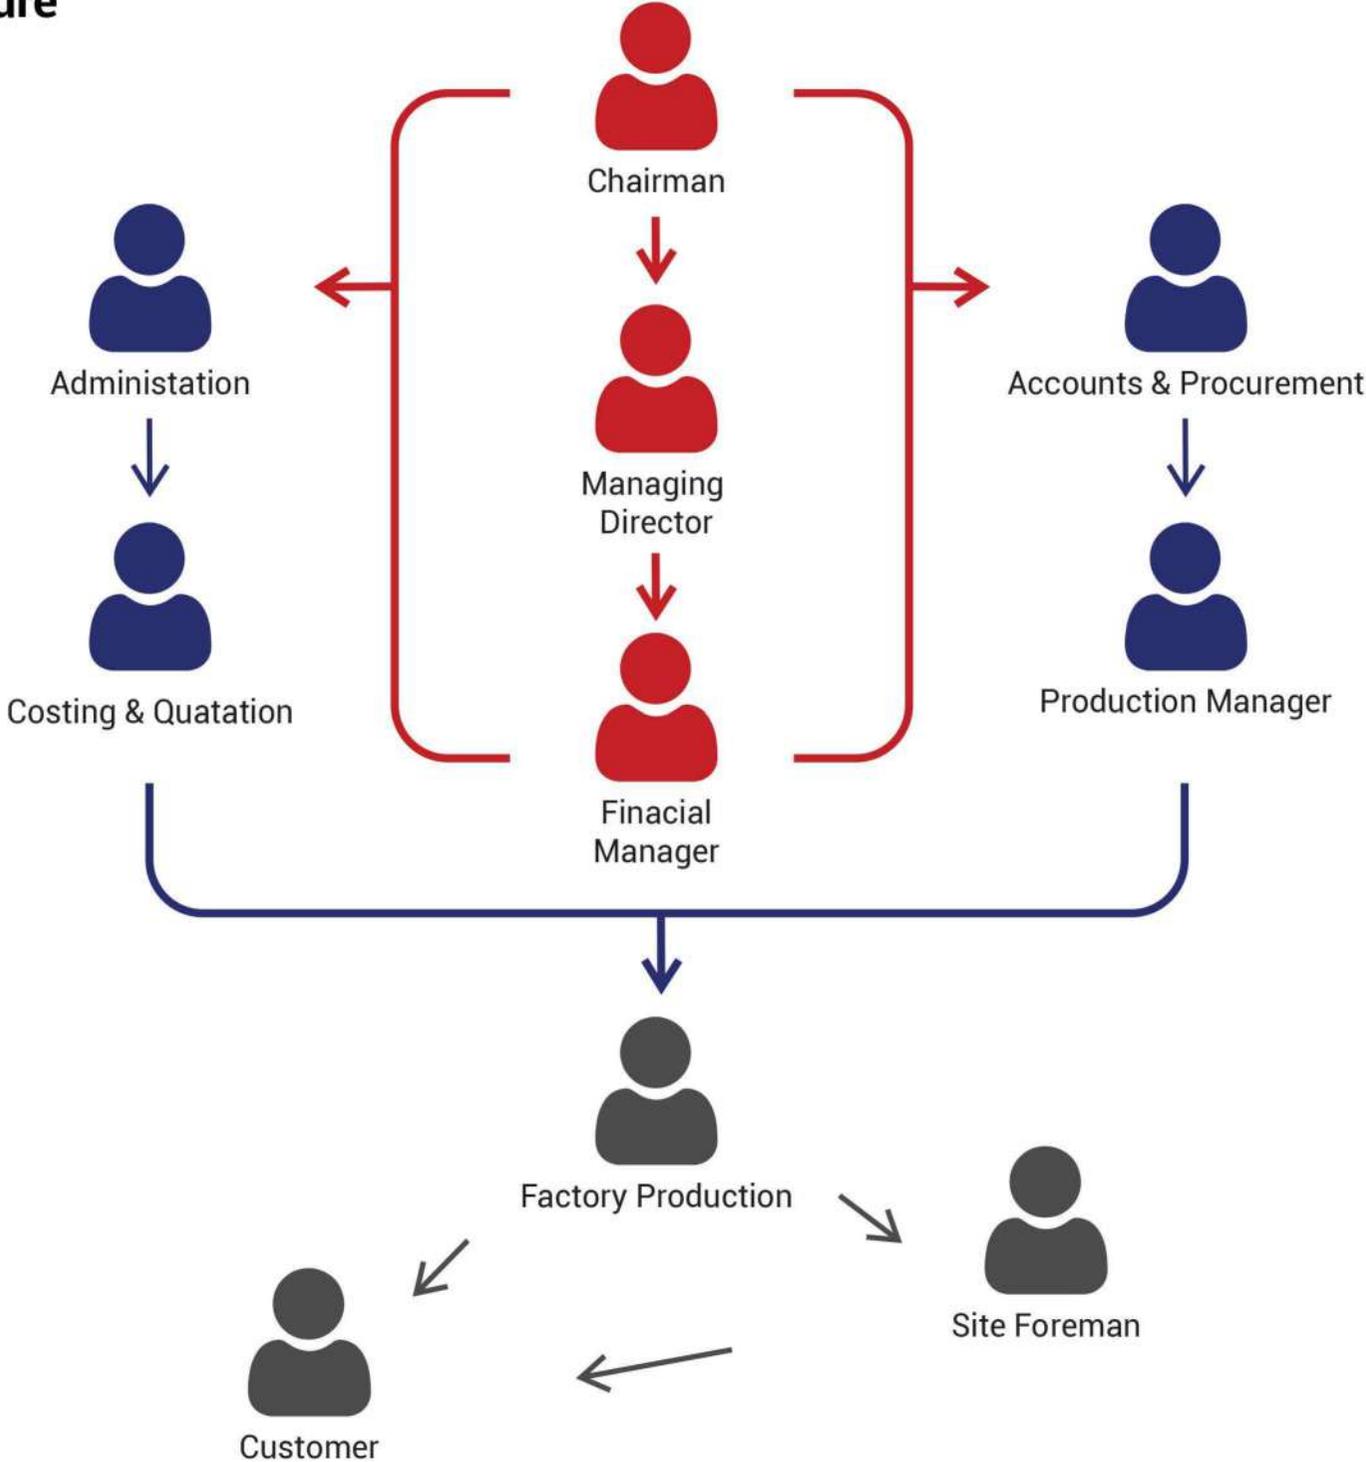

Our team of professionals consists of a qualified design team, a knowledgeable sales team and the best production team, to ensure that we live up to the very best standards. We have highly skilled installers / fitters to ensure that every project is a masterpiece and goes smoothly.

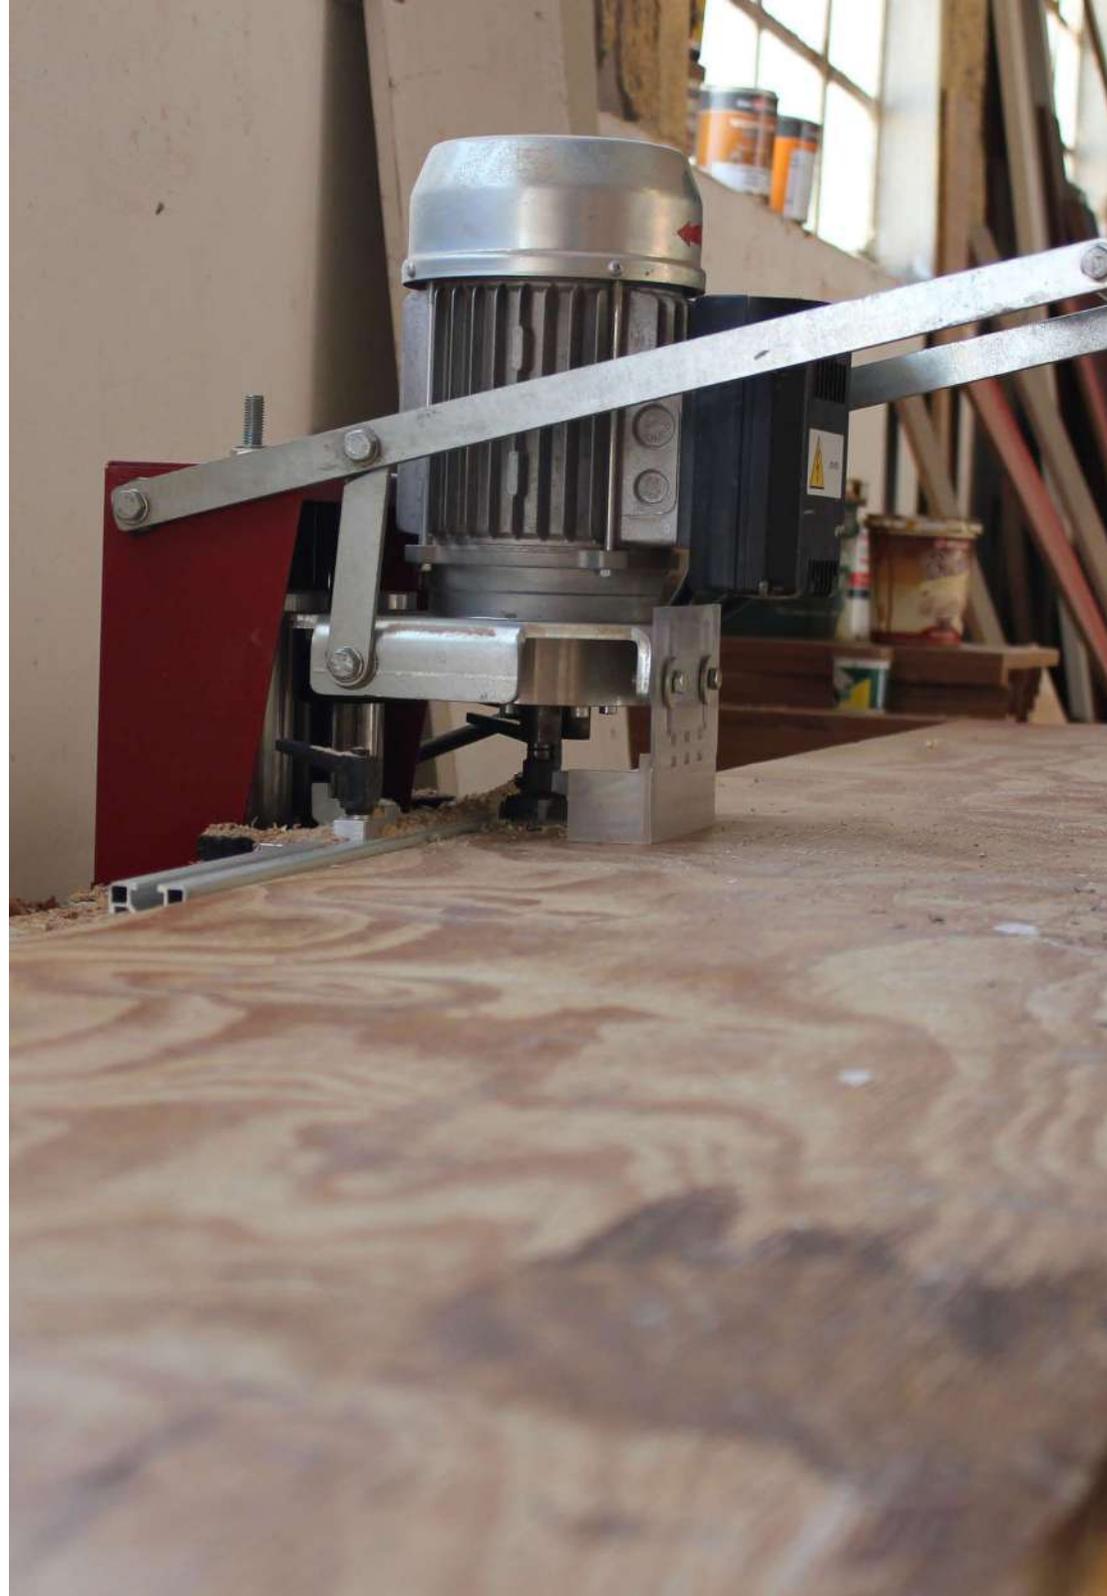

SKN Pty Ltd, is a company passionate about youth empowerment, thus majority of our staff is a combination of young professionals and unskilled labor. We anticipate the balance of the experienced staff to be shared with the youth for future sustainability. We have in place company policies that promote continuous staff training and empowerment.

We take first preference to qualified students from institutes like M.I.T.C who were previously disadvantaged, which gives them the opportunity in this tough economy. All our processes are compliant with all manufacturing health and safety codes.

Company Structure

Our Services

Lumber and Capentry Supplies

Board, Timber Cutting & Edging
Commercial kitchen fabrication and Installations
Supply of all carpentry raw materials
Residential kitchens
Supply of all carpentry tools and Accessories
Fitted furniture (Wardrobes & Cupboards)

Granite, Aluminum & Glass Works

Supply and Fit all types of Granite
Installation on all Size Aluminum
Supply and Fit all types of Creaser Tone
28 & 34 Casement frames
Fitment from Home to Commerical stone counters
Natural, Bronze, Cherry and all other colors

Water Management Device (WMD)

Metrological & Mechanical Data

Nominal Diameters	DN20mm, DN25mm
Connection Thread	BSP
Material	PA6 Glass Filled Nylon / EPDM Valve components
Maximum Flow Rate	3000L/hr* Dependant on external meter specification
Minimal Flow Rate	Dependant on external meter specification
Protection Class	IP68

Temperature and Pressure

Storage Temperature Range	-10°C to +60°C
Water Temperature Range (Operation)	1°C to +60°C (Unfrozen Water)
Nominal Water Pressure	16 Bar (PN16)
Normal Working Water Pressure	3-9 Bar

Valve Operation

Minimum Valve operating Pressure	0.25Bar @ 15L/hr
Maximum Valve operating Pressure	16 Bar

Communication

Radio Frequency - 433MHz, bi-birectional, ISM free band
 Infrared - Using Utility Systems IR Probe
 Protocol - USC Proprietary Protocol

Battery life

433MHz - Up to 10 years dependant on use
 NOTE - With in-field replaceable slimline battery pack (IP68 Sealed)

Display

LCD

Conformity

STS, ICASA, CE, NRCS, JASWIC

Water Metering and Management

Xylems Sensus, Iperl meters, Ultrasonic Flow meters & Bulk Meters

Inzalo Utility Systems: Water management device and Prepaid metering

Projects and Training installation in Eswatini (2019 Ezulweni Valley)

Logistics: SKN Capital Carriers

SKN Capital Carriers running Side tippers,
Cross Border from Eswatini and around SADC.

Transporting Coal, Maize, Beans and many
more to come...

Distribution

USUTHE Products

INSTANT Porridge *Vanilla* flavour
(70g, 1Kg, 5Kg, 10Kg, 15Kg, 25Kg, 50Kg)

INSTANT Porridge *Original* flavour
(70g, 1Kg, 5Kg, 10Kg, 15Kg, 25Kg, 50Kg)

Fuel Supply

Filling Station in progress...

Fuel Supply

Filling Station in progress...

Farm Foods: Veg & Meats

Animals in feed lot: Cows, Goats, Village Chickens

Tunnel Farming: Red & Yellow sweet pepper, Tomatos, Cucumbers, etc...

Field Farming: Lettuce, Spinach, Cauliflower, etc...
